No. PCCF/CAMPA/APO-2021-22/F.No.1245/3523-35

Dated: 12.01-2022

Sub: Presentation of the salient features of the APO 2022-23 in the Executive Committee meeting scheduled to be held on 18 January 2022.

Sir/Madam,

In the meeting of the Executive Committee of CAMPA scheduled to be held on 18 January 2022, key elements of the APO 2022-23 need to be presented for seeking recommendation of the Committee for the proposed works.

2. Since a significant amount of time and effort has been put in by Implementing Agencies (IAs) and their controlling officers in preparation of a comprehensive work programme encompassing almost all forestry activities, it would be appropriate if the salient features of the proposed works are presented by the HoDs/APCCFs/CCFs concerned.

3. It is therefore requested that each HoD/APCCF/CCF may kindly consider making a short presentation of about 5-7minutes highlighting the salient features of the proposed works, particularly those relating to livelihood generation and aimed at meeting people's needs.

4. It is further requested that the APOs of IAs under your administrative control may be downloaded from the CAMPA portal and accuracy of the figures (keeping in view the unit of measurement) may once again be checked.

Yours faithfully,

  
(Sarvesh Rai) IFS

Addl. Pr. Chief Conservator of Forest/  
Chief Executive Officer  
J&K CAMPA
