IV Correction regarding academic qualification :-					
1	Rakeshwar Singh	Jammu	201	Changing of qualification as Matriculate instead of Graduate	The change of educational qualification as desired by the applicant on the presumption of him being denied promotion based on the fact that he being graduate is factually misplaced notion. As those figuring in the zone of consideration of seniority list shall never be denied promotion just he/she being graduate when minimum qualification prescribed is below graduate. Therefore the request of change of qualification from graduate to matric does not warrant any consideration and this also does not take away the benefit given under graduation quota if not falling in the zone of consideration. In short a Forest Guard being graduate shall not automatically confined to graduate quota if falling in the zone of consideration as per seniority. Hence representation of the official forwarded by CF East vide No. 1545 dated 24-12-2024 cannot be considered.

7	Bharat Singh	Ramban	90	Academic qualification as Matric instead of Middle	Considered as recommended by CF Chenab Circle vide No. 11504-05 dt. 10-02-2025.
